Capri

mod: 2075
design by Alberto Sala

Want to sun, heat and sea. Capri is the cuckoo clock inspired by one of the most sought after tourist destinations of Italy, the island of the Gulf of Naples, a place to vacation and relax. The cuckoo by bright colors and clean lines reminiscent of the cabins bathing facilities but with the typical lighthouse colors. A simple object that contains so many emotions and memories. Capri is included in the permanent exhibition of the Deutsches Uhrenmuseum, historical German Clock Museum, which is important for its large collection of clocks and cuckoo from all over the world. Cuckoo clock made in wood. Battery quartz movement. The Cuckoo strike is switched off automatically during the night controlled by a light sensor.
