

Cucubus

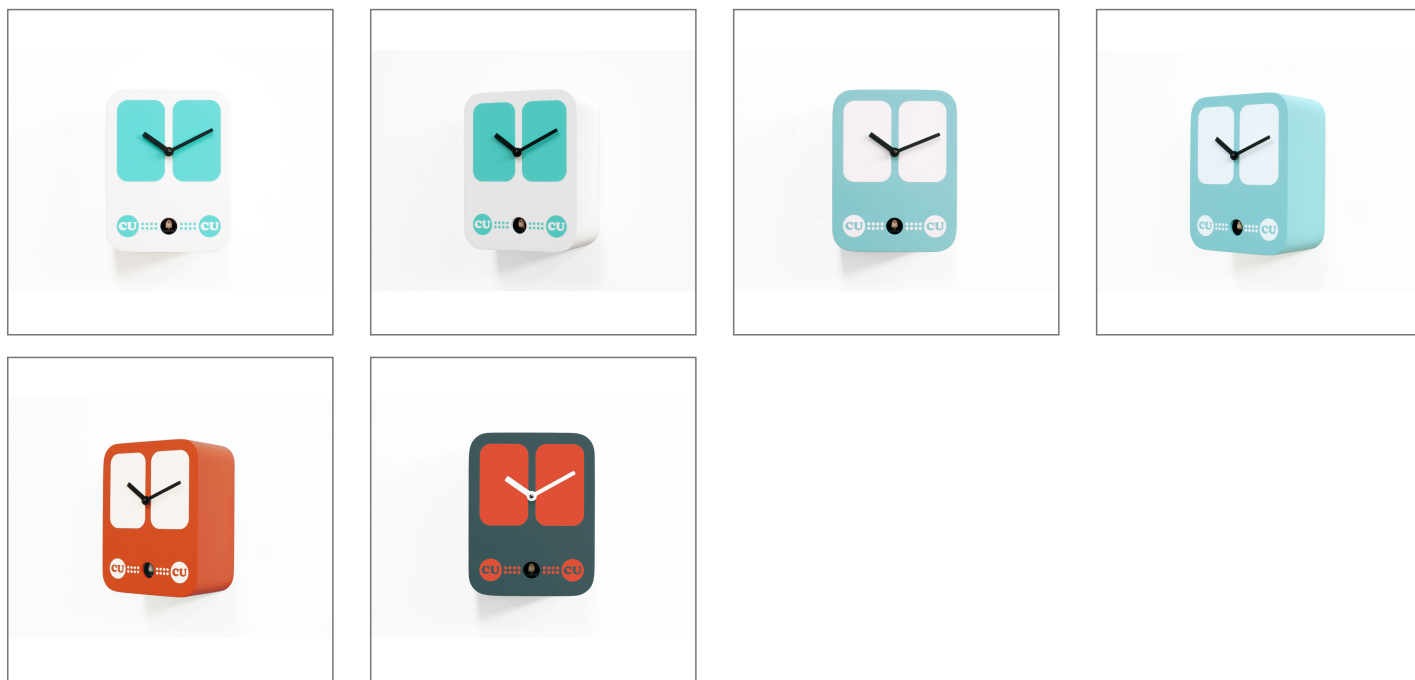

mod: 2227

design by Francesca Macchi

Simple shapes with iconic graphic, a bus in the '60s-style dress this cuckoo clock. Nice object with sleek and compact size are placed in a harmonious way inside homes and offices giving a touch of originality and color. The structure is made of wood with the bird positioned in the lower center part. Battery quartz movement. The Cuckoo strike is switched off automatically during the night controlled by a light sensor.
