

24k

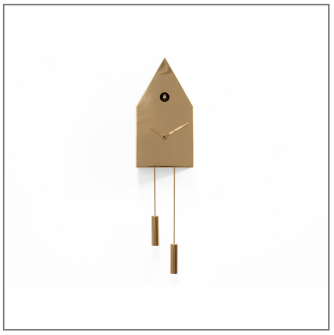

mod: 2195
design by Alberto Sala

Elegant, refined and timeless. 24k, Alberto Sala design, made entirely of metal finishes in gold and copper cuckoo is an essential volume in the shape of a house that seems to arise from an ingot. Want to be a decorative object visible but without excess, but at the same time delicateÂ character. Battery quartz movement. The Cuckoo strike is switched off automatically during the night controlled by a light sensor.
